

ANOY CHANDRA SAHA

Dhaka, Bangladesh | GitHub: github.com/anoy756 | Portfolio: anoy756.github.io/anoy-portfolio

SUMMARY

Chemical Engineering student at BUET with a passion for process engineering, software development,

and digital tools. Experienced in project modeling, technical tutoring, and web development fundamentals.

EDUCATION

Bangladesh University of Engineering and Technology (BUET) Dhaka, Bangladesh

Bachelor of Science in Chemical Engineering Expected Graduation: 2030

* Coursework: Material Balances, Thermodynamics, Process Engineering Fundamentals

Dhaka City College Dhaka, Bangladesh

Higher Secondary Certificate (HSC) GPA: Golden A+

PROJECTS & INITIATIVES

Personal Portfolio & Web Projects

* Developed a responsive personal developer portfolio using modern HTML, CSS, and JavaScript.

* Integrated custom UI animations, interactive components, and theme switching.

SKILLS

* Technical / Engineering: Material Balances, Chemical Process Basics, Data Analysis

* Programming & Tools: Python

* Soft Skills: Technical Communication, Mentorship, Problem Solving

EXPERIENCE & LEADERSHIP

Academic Tutor Dhaka, Bangladesh

Private STEM Instructor 2025 – Present

* Instruct secondary school students in Physics, Chemistry, and Higher Mathematics.
